What is the Ascension? Does this apply to me?  
How does it impact our daily lives? Do I need to be spiritual to Ascend?  
What does it mean to fully integrate our Higher Selves onto the planet?  
Here you will gain the tools needed to successfully navigate Ascension regardless of your level of spirituality.

Each speaker will bring his or her own perspective on the Ascension process and much more... Come and find out what your part is in the Ascension.
